The “Give One More” Raffle is a part of Women in Industry Day 2023 - an inspiring day of professional and personal development.

As a part of the conference, several scholarships are awarded to female high school students in the tri-county area interested in pursuing a degree in a STEM field. Two recipients of these awards have already been named, and through donations given for this raffle, One More deserving young lady will be awarded a \$2500 scholarship.

Entries into the “Give One More” raffle will end at 3:00 PM EST April 21, 2023 and will be awarded at 4:00PM at the conclusion of the conference.

Thank you for your generosity!

CHARLESTON WOMEN IN TECH SCHOLARSHIP RECIPIENT

ABIGAIL THREATT

Abby is a Senior at Summerville High School where she is actively involved in many activities including National Honor Society, Beta Club, Student Council and is the President of her Engineering Club. In her spare time, she serves as a Young Life Youth Leader and the game day announcer for all SHS home-based soccer games. As of Fall 2023, she will be studying Human Factors Psychology and Communications at Embry Riddle Aeronautical University in Daytona Beach. Abby is an avid aviation and space enthusiast including attending 3 years at Space Camp, passing her FAA Knowledge exam and logging 14 hours of flight time so far. Her plan is to ultimately work in the aviation industry as a communications specialist.

SOCIETY OF WOMEN ENGINEERS -LOWCOUNTRY SCHOLARSHIP RECIPIENT

ABIGAIL WHITAKER

Abigail Whitaker was born April 5, 2005. Her mother, Christina, is a teacher and her father, Kevin, is a law enforcement officer for a federal prison. She loves to be outside and study nature. She enjoys gardening, hiking, going to the beach, and playing with her pet cats. She is very excited to continue her education at Clemson University and become a Biosystems engineer.

GIVE ONE MORE SCHOLARSHIP RECIPIENT

IVY SMITH

Ivy Smith is incredibly delighted to be a scholarship recipient! She is currently a DD2 high school student, and this fall, she will be majoring in Biological Sciences at Clemson University. She has always had a deep passion for STEM, and is so excited to be able to participate in such a magnificent program at Clemson University with the help of this generous scholarship. She thanks SWE Lowcountry for providing this opportunity for her as she continues further in her future endeavors!
